The hard-working, ever-present, friendly Mrs. Mirkin began her second year as principal of WHS. Together with Assistant principals Mrs. Novogrovski and Mr. Levin, the administration provided another excellent year for WHS students. Mrs. Novogrovski worked hard during the year coordinating and overseeing all of the student activities. Mr. Levin tackled the very difficult task of making the new schedule run smoothly. The commitment of our administrators made Wellesley High School an exciting, challenging, and positive learning environment. Thank you WHS administration!

It's 7:30 am in the guidance department, the coffee is brewing, time to begin another busy day. Between department meetings, guidance seminars and student appointments there is just enough time to check e-mail and phone messages. Somehow they get it all done and adapt to the growing population of WHS.

Under the direction of Mr. Whelahan, Ms. Sannicandro, Mr. Touhey, Ms. Belka, Mr. Hughart, and Ms. O'Byrne programs are offered to help teachers and parents get students on the right track towards the college selection process and career planning.

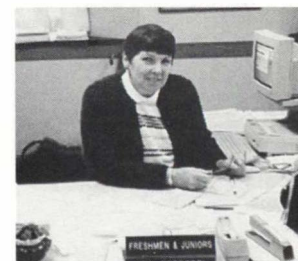

From welcoming freshmen and helping them adjust to the new atmosphere, helping sophomores with career choices, getting juniors ready for PSATs and SATs and helping seniors with their journey after high school, the staff provides indispensable help.

From the I-Search in ninth grade, author study in tenth, literary research and advertising project in eleventh, finishing with the senior paper and the humanities self-paper, the students of WHS are encouraged to improve their skills. We thank all of the English teachers for their hard work and dedication.

The Social Studies Department continues to thrive under the leadership of Department Head, Mr. Whitbeck. The teachers are creating lessons adapted to the extended schedule. The department was fortunate to gain two new teachers this year, Ms. Faden and Ms. Stein. This expansion of the Social Studies Department has led to a variety of new classes, including East Asian History and two new history classes which are taught entirely in Spanish. Because of the tremendous enthusiasm found within history classes, there are currently 126% of the senior class enrolled in the department. This means that every senior is taking a social studies class, and many are enrolled in more than one!

Students who have exhausted their offerings at Wellesley High School are encouraged to take tuition-free math courses at Wellesley College or other nearby cooperating institutions of higher learning. Students are also encouraged to participate on the Wellesley High Math team, which competes in the Greater Boston Math League. Students also compete in the annual Massachusetts Association of Math Leagues Olympiad test, as well as in the American High School Math Examination. Try Math, you'll love it!!!

Mrs. Gorman's numerous foods classes were also extremely popular, with classes ranging from Joy of Cooking to International Foods. Other electives, Business Administration, Computer as a Tool, Keyboarding, and Creative Problem Solving were taught by Mrs. Lord and Mrs. Gilberti. There was an explosion of technology in the Library Media Center and the Writing Lab. Ten new Macintosh computers were added as well as five IBM computers for student writing and research to bring the total to thirty-seven computers. Sophisticated research tools were added to provide students with access to current newspaper and magazine articles, full-text, on-line, and updated hourly. Exciting new presentation tools, such as Hollywood High, Avid Cinema, and PowerPoint, were introduced to allow students the opportunity to be more creative and innovative with their class projects. The Library staff wishes the Seniors the best of luck and happy reading.

The drama program is now under the guidance of Mr. Knight. Many new courses were offered this year, ranging from History of Jazz to Debate. The expansion of the department proved to be beneficial to the school and a worthwhile experience for the students. The choral groups, bands, drama productions and orchestra all had an excellent year thanks to the strong staff of the Performing Arts Department.

Newly installed computers expanded digital art. In its second year, the Drawing and Painting Intensive course also expanded. Twenty students were enrolled in the honors class. The art teachers were proud of the student's accomplishments, and feel that 97% of students who were involved in art classes gained from the experience.

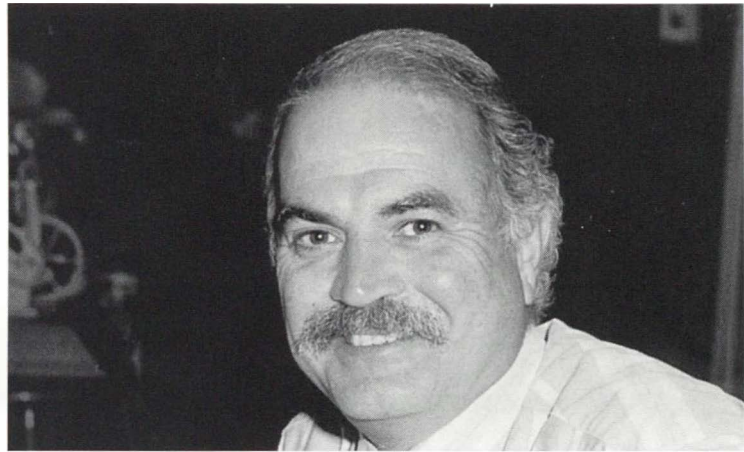

"Hey there." (Mr. Rutledge, Mr. Callahan)

TECHNOLOGY

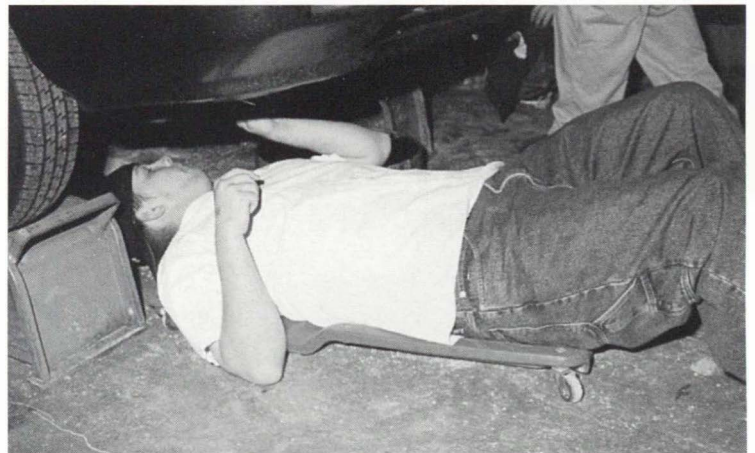

Mr. McAleer

Mr. Bertrand

One more adjustment guys!

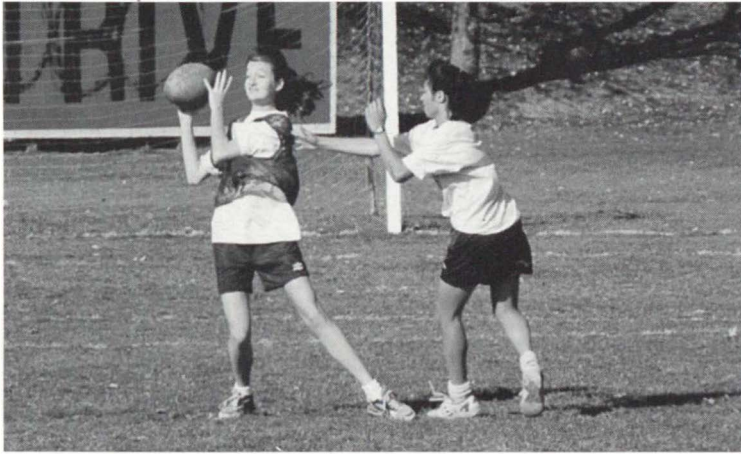

I think we're ready now! (S. Ryan)

O.K., start it up!

Industrial Technology is one of the students favorite departments. The courses allowed students to escape from the daily academic pressures to forge new grounds in different fields of interest. Under the direction of Dr. Rumsey, the classes allowed students to participate and learn about wood-working, drafting/technology, and automotive repair. One of the great advantages of these courses is that the students are allowed to design and build projects of their choice. The Industrial Technology department continued to open up a whole new world of opportunities to WHS students.

Mrs. McDonald takes a time out to give us a smile.

One of the most prized attributes of Wellesley High School is the respect attained through the athletic program. With the help of the coaches and athletic staff, the theme Raider Pride has been stronger than ever. There are three characteristics that pertain to every Wellesley sport, commitment, dedication, and pride. Mr. Tripp's philosophy in running a strong program is to give opportunity and become competitive yet in a sportsman-like manner, and it has succeeded tremendously. The class of 1998 would like to thank Mr. Tripp, Mrs. McDonald, Ms. "Patty" Hickey, and all of our coaches.

Whenever the students need help the office staff has always been there, and their help is deeply appreciated. THE LONG AND WINDING ROAD

UNDERCLASS OFFICERS

JUNIOR OFFICERS

Class President: Walker Sands
 Class Vice-President: Kevin Alexander
 Class Secretary: Lee Goldberg
 Class Treasurer: Jason Kivett
 Class Advisor: Ms. Ellen Kwon

As their last year as underclassmen arrived the Junior Class had to make the most of it. The year started with a bang as the class hosted the now annual Homecoming Dance. The Juniors donated all service components collected to the Bristol Lodge in Waltham. As winners of the all-school can drive, the Juniors collected a total of over 400 cans. This year's Junior Auction was a complete success. The money will be used to support the senior activities. The Junior Prom aboard the Spirit of Boston was a total blast and a great way to finish out the year.

SOPHOMORE OFFICERS

Class President: Jill Snider
 Class Vice-President: Kimberly Cooney
 Class Secretary: Siri Nilsson
 Class Treasurer: Alyson Bloomer
 Class Advisors: Mr. Brooks Goddard and Mrs. Jean Goddard

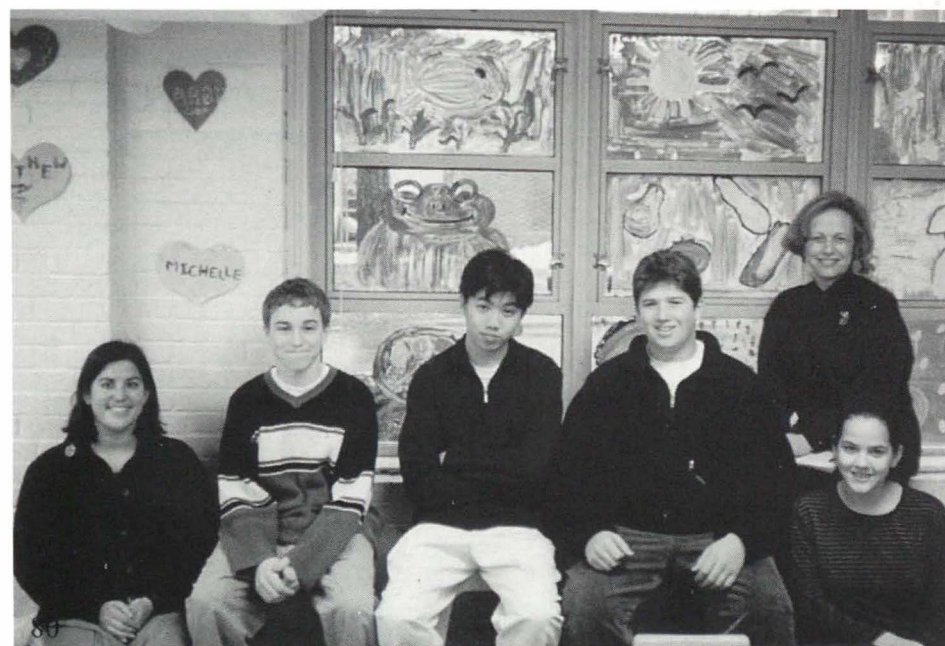

With one year already under their belt the Sophomores aimed to make this year great. Activities included raffling baskets, and selling stadium seats, and date-a-match. The Sophomores hosted an All-School Dance in March. In April, they participated in Landscape Day to help beautify Wellesley High School. Their end-of-the-year activity was a perfect finale to a great year.

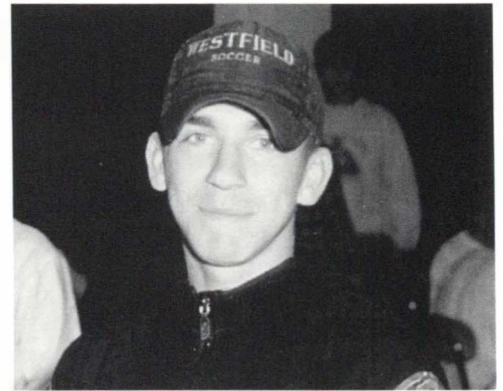

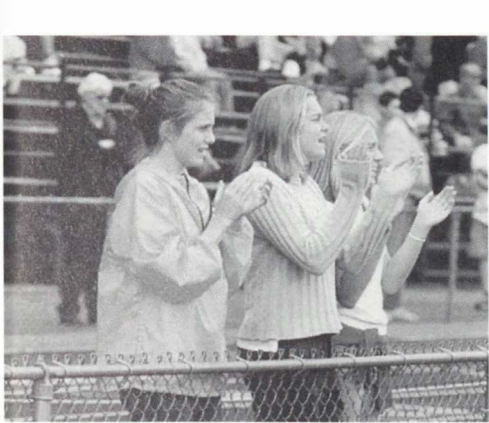

FRESHMEN OFFICERS

Class President: Benjamin Bloom
 Class Vice-President: James Russell
 Class Secretary: Kate Horan
 Class Treasurer: Dennis Chira
 Class Advisors: Mrs. Eva Adler and Ms. Stephanie Stein

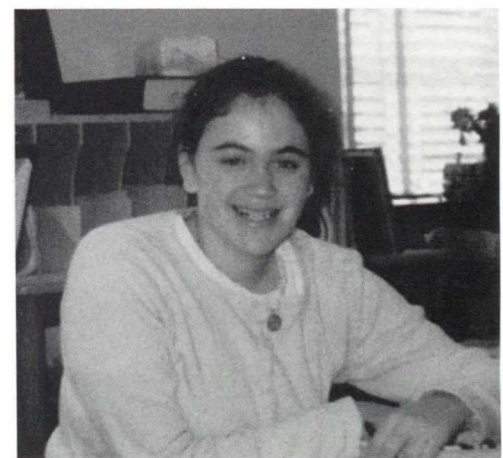

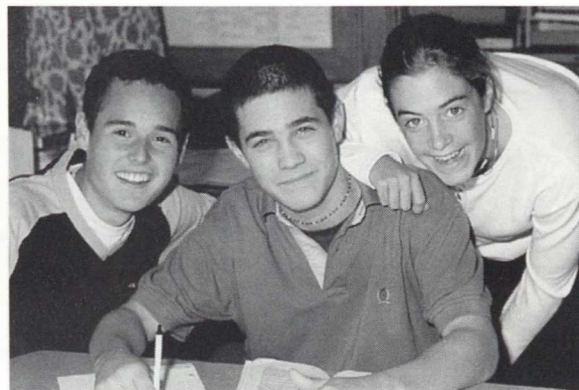

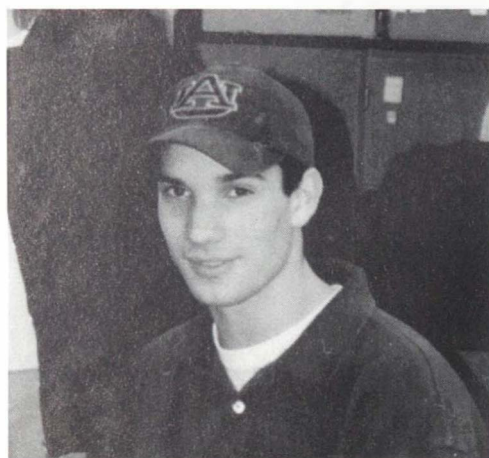

As the newest edition to Wellesley High School, the Freshmen had to start the year out strong, and they did. Money-making activities included: a doughnut/bake sale, the selling of Entertainment Coupon Books, pizza-making and selling with the Senior Class, and a Crush Can Soda sale. The year ended as strongly as it had started with a fun-filled end-of-the-year activity.

FALL CHEERLEADING

Wow! Look at those raiders go!

Hey coach, did someone say cheer?

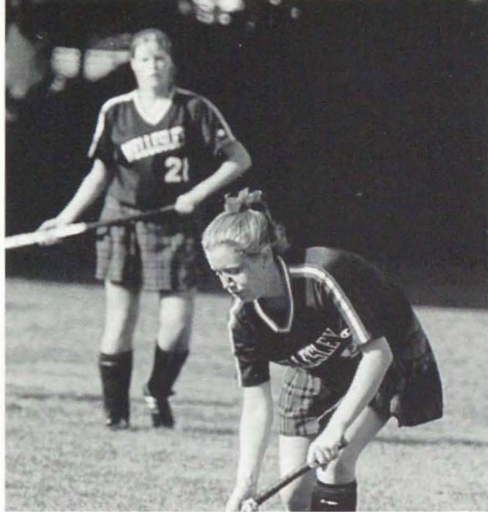

Don't hate me because I'm beautiful.

Hey let's hear it, Wellesley's cheerleaders have got the spirit.

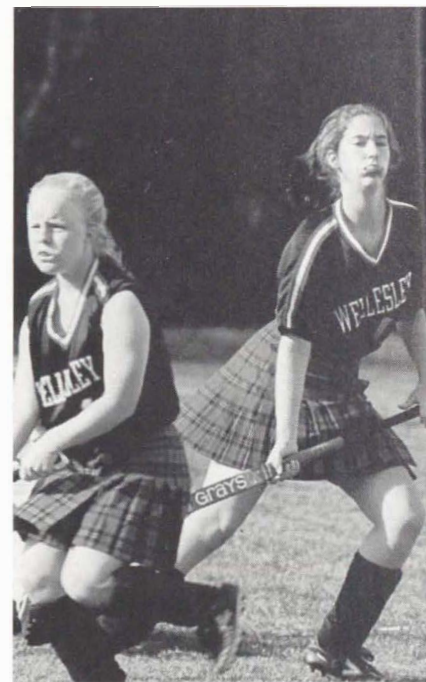

Our Raider cheerleaders are as exciting and as hardworking as they come! Due to their tenacity and the incomparable choreography of coach Suzanna Eller, the girls (S. Dann, M. Fox, P. Tyler, C. Anderson, D. Arcand, C. Ramberdan, M. Simon, M. Zabriskie, J. McCatty) were awarded with the fourth place trophy at the 1997 B.C. Competition. Winning this award marked the first time in twelve years that the Wellesley cheerleaders have brought home a trophy. This was indeed a great achievement for all. Our cheerleaders showed relentless effort and enthusiasm. We wish them much continued success. Lets hear it for the WHS cheerleaders!

FIELD HOCKEY

Coach Molonea and the Captains.

One down and ten to go. (H. Young, B. Cummings)

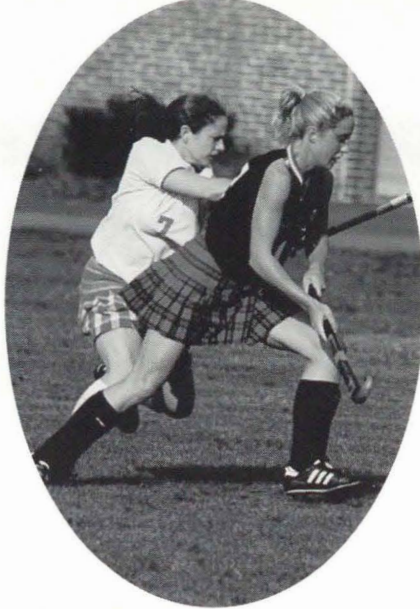

Toomey on her horse. (K. Toomey)

Bang! That is how the Raiders Field Hockey Team began their tough season ending with a record of 4-8-5. Lead by Coach Molonea and Co-captains, Christy Costello and Nina Housel, the young Raiders persevered through their season maintaining lots of spirit and determination.

The team of only three returning players began with a lot to learn but managed to end this season in a good position for next year. *Romeo and Juliet*. Enough said.

The 1997 Varsity Field Hockey Team

Bim on the fly. (K. Showstead)

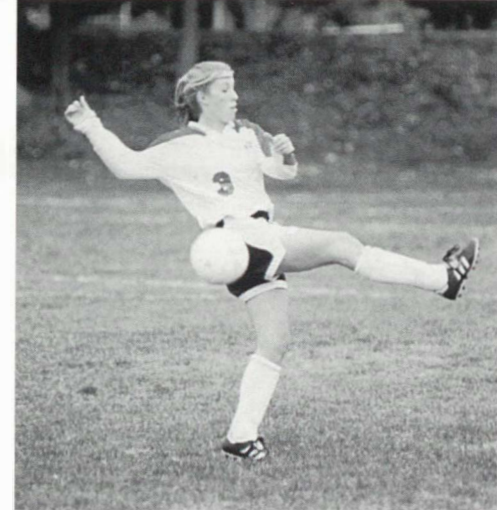

"Now, shoot the ball, shoot the ball, shoot the ball!"

In balance, K! (J. Kosttrin)

WOMEN'S SOCCER

Lindsey, always prepared!

At least Lohin is focused on the game. (S.Reading, A.Lohin)

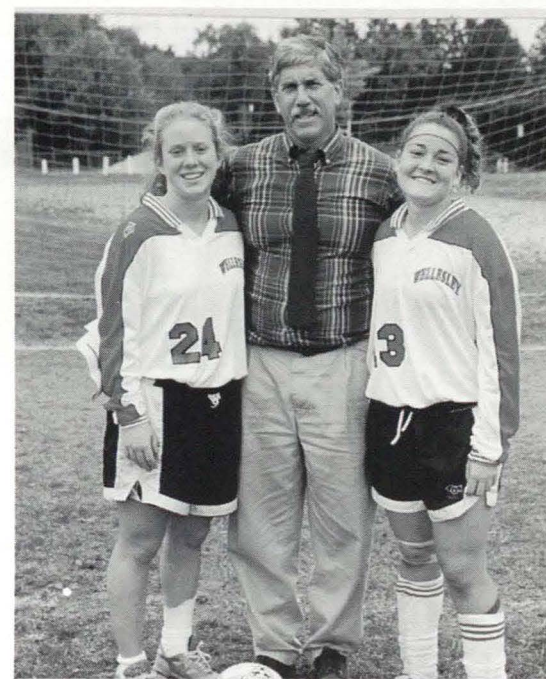

"Ali, that's not the corner!"

The Women Raiders ended the season on a successful note under the leadership of Coach Heller and co-captains, Kelly McHugh and Kerri Pelletier. The final record of the Raiders was 13-4-2, capturing a Hergett Division Championship. We gave it our all and left our sweat and hearts on the soccer field. Every player that wore the 1997 uniform can stand up proudly and say, "We few, We happy few, We band of sisters. For she today who sheds her blood with me shall be my sister." Good luck 1998 Soccer.

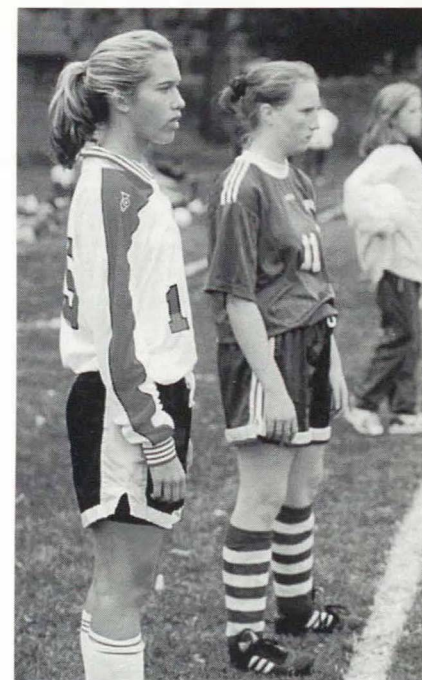

1997 Women's Varsity Soccer

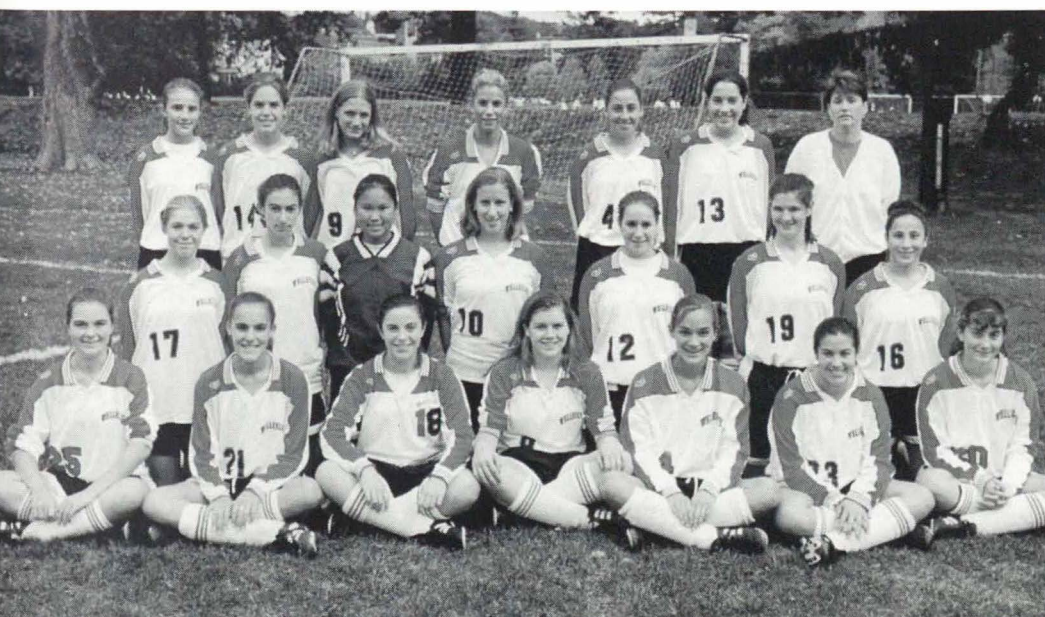

Prow, praying for a win! (K. Prouty)

"The team's in a huddle, the captain bow's her head..."

MEN'S SOCCER

Ya Smithers! (B. Smith)

Tough Guys (E. Calderwood, B. McGinn, M. Lohin, J. Cooney)

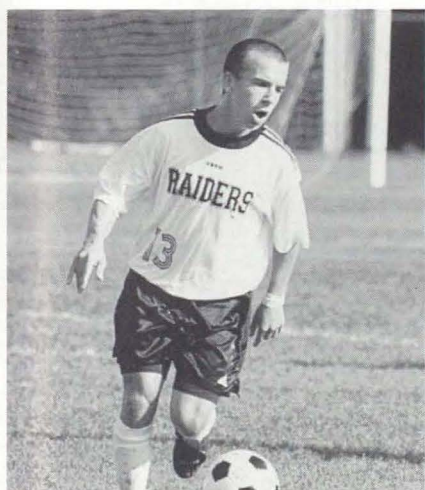

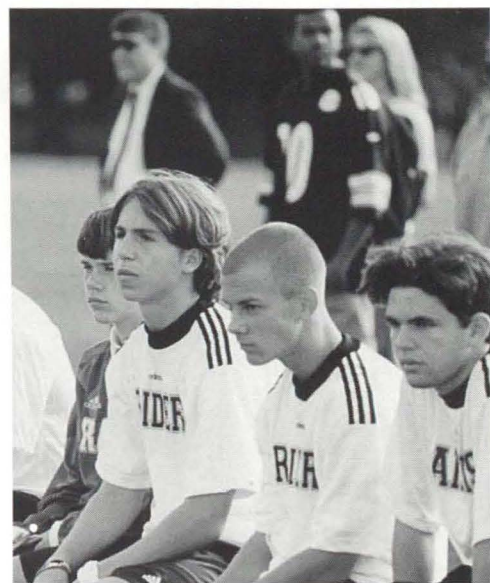

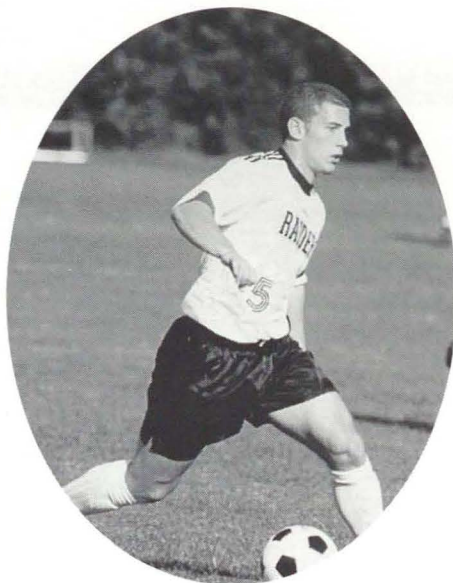

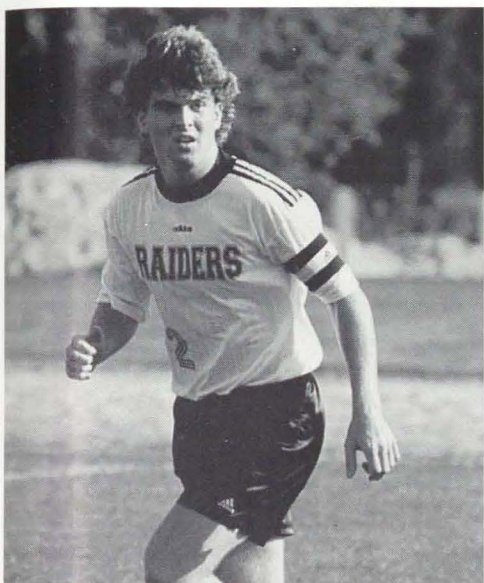

Concentration is the key (J. Kivett)

Under the leadership of coach Jay Cooney, the WHS Men's Soccer team finished the season with a solid 8-7-4 record. The Raiders managed to qualify for post season play by winning some hard fought games against Walpole, Norwood, and Brookline while gaining points by tying league rivals Needham and Dedham. In post season play, the Raiders stepped up the intensity and advanced to the sectional quarterfinals but were eliminated by a strong Nauset squad. The Raiders were lead by a solid base of seniors including tri-captains Eric Calderwood, Brenden McGinn, and Mike Lohin, goalkeeper Ben Smith, full-backs Alex Linkow and Matt Young, midfielders Geoff Taylor and Brett Dillon, and striker Ken Celli. The Raiders return a strong squad next year and look forward to another successful season.

WOMEN'S VOLLEYBALL

OOOOOF!! (L.Dulude and L.Faria)

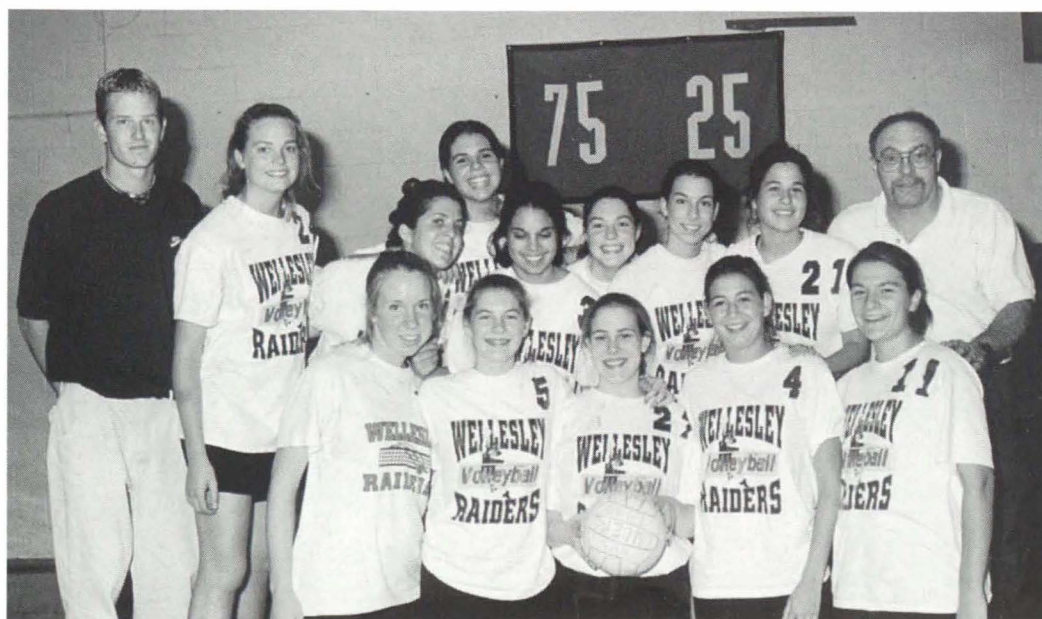

Raider's represent with their victory sprawl

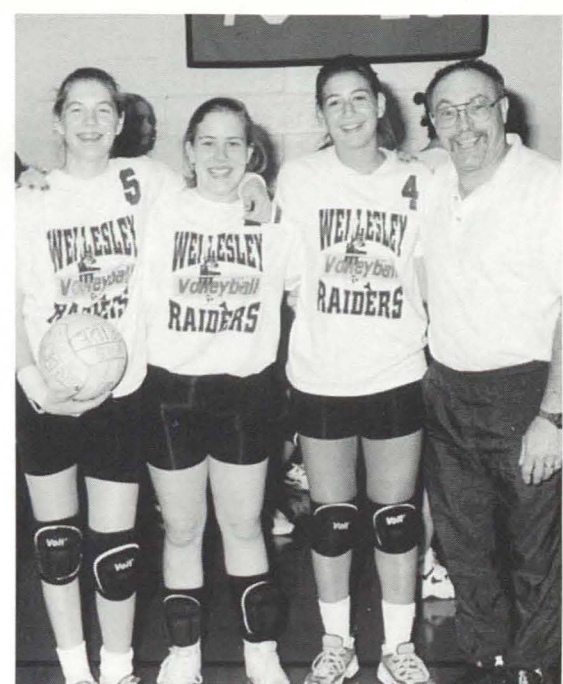

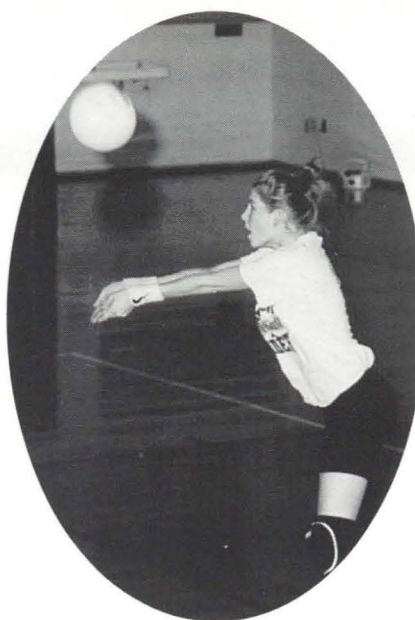

Nice set Trish!! (T. O'Reilly)

The varsity squad finished this year with a record of 5-14. Though their record does not reflect a successful season, every player improved individually and as a united force on the volleyball court. Captains Beth Fuller, Sarah Stuart, and Nicole Vandernoot pushed the team physically and emotionally. Guided by Mr. Toffling's coaching skills, they enhanced their ability to dig, set, and spike the ball with varsity level intensity. They showed tons of spirit and they will never forget the natural high of a win and the fun of running their victory circles! The JV team thrived with a nearly undefeated season. Good luck to next year's volleyball team!!

Whenever you enter the Babson College Athletic Complex, you know right away if the Women's Swim Team is there. The spirit of the team set the tone for another exciting meet. The women's team this year was led by captains: Sarah Belanger, Marjie Bruchez and Eden Knudsen. The team showed a significant improvement from past seasons. Coach Cynthia Baker and Assistant Coach Beth Belanger were pleased with the teams 6-3 record. The team displayed enthusiasm, dedication, and determination resulting in an enjoyable season.

The 1997 Wellesley High Cross Country Team

This year the Wellesley High School Cross Country Team had a phenomenal season. Captains Dan Catchpole, Emily Ball, Matt Corda, and Vera Schulmann led their team to great success. Guided by Coach Ralph Bowman, the team tackled its goals and accomplished many of them. Star runners Colleen Howard and Nat Brown (both sophomores) had amazing seasons that definitely improved team moral. Although many people consider Cross Country to be a sport played by individuals, the 1997-98 Cross Country crew supported each other through every lap proving that this indeed is a team sport. Congratulations to a great team on a great season!

The 1997 Wellesley Football team, led by co-captains Ted Potters and Andrew MacFadyen overcame several obstacles to regain a strangle hold on the Bay State Conference. The small but enthusiastic group of seniors hopefully mapped out a course for the future teams to follow. The Raiders finished with a record of 9-2, falling only to Walpole and Needham, and held the 15th ranking in the state. This years seniors would like to wish next year's players the best of luck and continued success. The team would like to thank Mr. Levin and the entire coaching staff, Mr. Tripp, Ms. MacDonald and Patty Hickey.

Although Wellesley Golf had a challenging season due to the young make-up of the team, two seniors, Hayden Gallery and Mark Yarnell, both came through in clutch moments. Junior, Ryan Reilly, was this year's MVP, playing competitively in every match. Coach Hamilton inspired his team continuously throughout the season. The additions of freshmen Marshall Beach, Steve Pierce, and John Ryan contributed strength to the team. Wellesley Golf is looking forward to next season.

The team was led by Coach Cieri and assistants Ms. Holtzman, Ms. Donahue and Ms. Olsen-Collins, co-captains, Kerry Richmond and Lisa Dulude, and seniors, Amy Mongiello, Brett Chevalier, and Brandy Crawford. The biggest win of the season came against Walpole in the last home game. It has been a long time since a girl's team has beaten Walpole. Special memories of the season include, team dinners at Friday's, the Spice Girls on our team, and the many different warm-up mixes. Shaun, "Sorry that your seventies mix didn't work!" Good luck to everyone next year, and remember if anyone asks you, we're going to the Fleet Center.

Our season began with a bang as we creamed Weymouth, a Herget Division opponent. During the next meet, against mighty Dedham, the Raider Women tried their hardest and displayed some spectacular performances. We lost, however, proving that although we had talent, we needed more numbers. From then on, whether we won or lost, the team spirit was always strong. Congratulations to every member of the 1998 Women's Indoor Track Team... As captains, we could never have asked for a more enthusiastic and willing team. Thank you to Coach Bowman, Coach Scafati, and Coach Coady... Although we may not have achieved our goal of reclaiming the title, we vastly improved over last year's record. Good luck next year, we will miss all of you. Alice and Lauren

1998 Men's Indoor Track Team

Men's indoor track had a tough season in 97-98, but the Raiders, led by coaches Bowman, Cody, and Scafati, were not without talent. Individual accomplishments by distance runners Nat Brown and Captain Matt Corda were bright spots in the season. Unfortunately, the squad was once again plagued by injuries.

The Raiders will return many key contributors and should recruit some new athletes for next season. The future indeed looks bright for the new generation of men's indoor track participants at Wellesley High School.

GYMNASTICS

The Gymnastics team had a great season this year. The team was lead by new coaches, Ms. Mancini and Mr. Flanagan. The Raiders were able to improve their team score by 16 points over the season, the greatest improvement of any team in the Bay State League. While their overall record was 5-7, the Raiders were proud of their season. Co-Captains Kristen Pascucci and Katie Taylor were very impressed by the teams' strong, continuous effort. We would like to thank the wrestling team for all of their help. Good luck to next year's team.

1998 Ski Team

Once again, the cross country and down hill teams finished on a great note. During the season, our returning members grew stronger and newcomers showed their stuff. Thanks to the great guidance of Coach Gallerani and Coach Mighill, both teams finished among the top four of the league. Junior Matt Nalesnik finished second in the cross country states, while down hill skiers senior Lauren Thomas and Sarah Brick both finished in the top ten in the league. Senior tri-captains Lauren Thomas, Kurt Hoffman, and Natalia Escallon wish next year's team much luck.

Finishing with a overall record of 6-3, the team was lead by senior tri-captains Pete Surette, Jeff Cooney, and Matt Young. To cap off a phenomenal season, the Raiders had a strong finish in the South Sectional and State Tournament meets. Best of luck to next year's team and a special thank you to our coaches.

The team filled all fourteen weight classes and remained relatively injury free. The Raiders finished the season as one of the top teams in the conference and were finally recognized as a serious competitor in the state. The team would like to thank head coach John Griffith and assistant coach Dan Regan for all their hard work and dedication to making this season a success. The team would also like to thank Mr. Tripp, Ms. MacDonald, and Patty Hickey for all the time they spent making this season possible.

GOODBYE

Lisa Dulude

Never part without saying goodbye

Grave days send no warning

God never gives a reason why

Laying there his skin looked so fake, so dry

He was a puppet, a doll, but not himself, not alive

Never part without saying goodbye

I can taste the salty tears as I cry

Too many silent years had passed

God never gives a reason why

The five children, all they could do was try

to memorize his face and smile

Never part without saying goodbye

His wife wished for wings to fly

One last kiss and embrace with her love

God never gives a reason why

Every time I look up at a bird in the sky

My lips can only whisper.

Never part without saying goodbye

God never gives a reason why

Sleep...

Maria Grignolo

Do not give me more homework than I need.
The pressure's building, I can't take much more.
Sleep, sleep is what I want! With you I plead.

The papers, essays, tests and books to read,
Are piling up beside me on the floor.
Do not give me more homework than I need.

The hours which I ask for aren't from greed,
I only want my eyes shut more than four.
Sleep, sleep is what I want! With you I plead.

Some questions on a chapter I will heed,
And five Trig. Problems to increase my lore.
Do not give me more homework than I need.

I go to school, and then at two I'm freed,
My pillow calls, "Why don't you have a snore?"
Sleep, sleep is what I want! With you I plead.

I must do things on which my mind can feed,
But drooping lids prevent me from that chore.
Do not give me more homework than I need.
Sleep, sleep is what I want! With you I plead.

A Game Played By All

Alice Amorosino

It is an evil thing love loves to do.

What is worse, is that it waits for the end

When all past was good (Candyland), and true.

It moves in as once before; thoughts to send.

Isolation is a new one to feel,

As togetherness becomes singular.

The truth: denied (although it remains real).

Spinner spins, stomachs in particular,

For love has conquered as it always will.

And players learn to regret the rules.

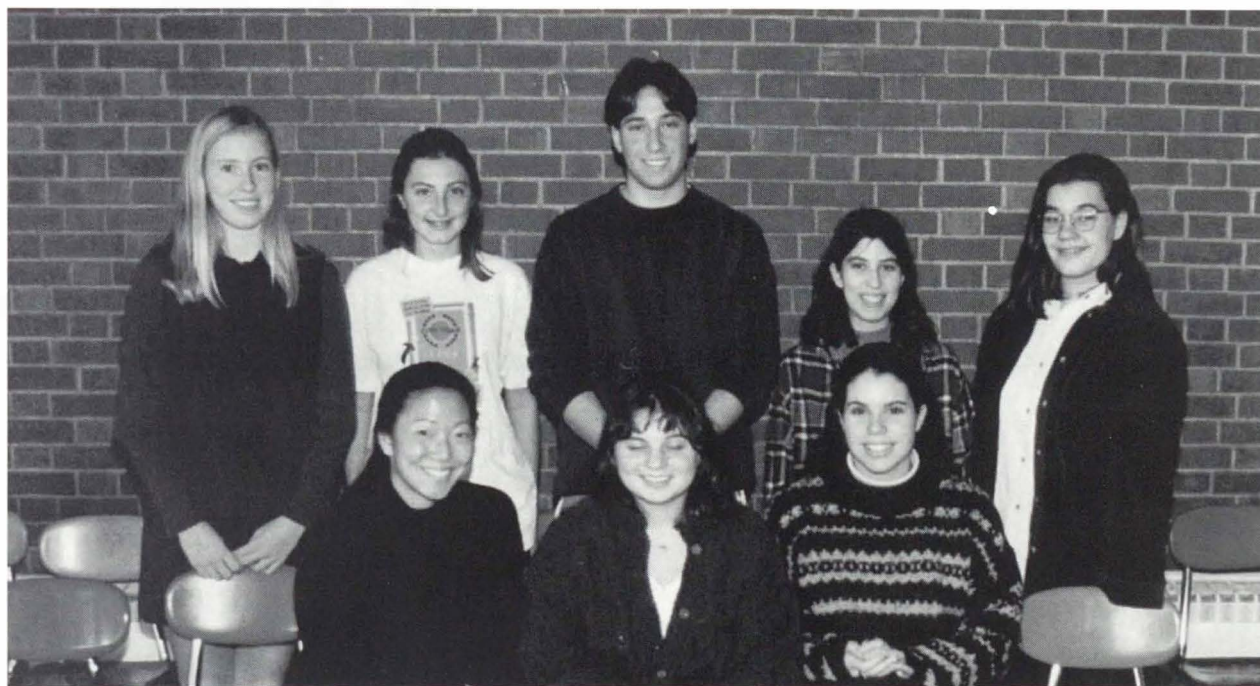

The next time around is no different still.

Love is a game played by players known as fools.

The whole world plays at a very high cost;

Every single player has loved. . . and lost.

BRADFORD

1997-1998 has been a great year for the Wellesley High School paper. Production ran smoothly under the direction and guidance of advisor, Ms. Kwon. This year's editors-in chief were Dan Catchpole and Abigail Ryder who did a fantastic job organizing the paper. The Bradford had many new writers who contributed many outstanding articles. The Bradford provided Wellesley High School students with excellent reading material about issues relevant to the high school community. Thank you to the staff for producing a terrific paper.

Liz Krupp and Alyson Bloomer: The Future of Outreach

Cristin Griffin and Katie Drasser having fun with Outreach

The Outreach Program began a few years ago in an effort to create a community service club run by students. Over the past couple of years, Outreach has really grown. Outreach has made a strong commitment to Rosie's Place with volunteers participating every Tuesday year round. Outreach also has commitments to other organizations such as The Food Project and The Wellesley Manor Elderly Home. One big event this year was the Pick-A-Thon organized by The Food Project. We picked squash and string beans all of which went to shelters around Boston. The Outreach Program has high hopes for the future — pick up a newsletter and get involved!

Juniors, Yassmiri Cruz and Nekeshia Grant; freshmen, Shereena Dann and Cilenia Ramberdan. The girls shared a house in Wellesley along with their two Resident Directors and Resident Tutor. Under the supervision of advisor Mr. Esposito, the Latin Club participated in a rousing game of floor hockey against the German Club. This game is an annual tradition, and it is always exciting to see the Latin Club members rack up the goals. The Latin Club provided many opportunities to further investigate the Latin language.

Under the direction of Mr. Knight, the drama society produced Stephen Sondheim's "Company." Ms. Wightman was the choral director, Ms. Boudreau was the choreographer, and Mr. Cannell managed the technical aspects of the show. A musical with mature themes, "Company" challenged the high school actors to fulfill their roles. Fortunately, the cast was able to provide the skills for a great performance, and the pit orchestra, conducted by Mr. Scott, performed Sondheim's difficult music with finesse. It was such a large show that a lot of effort was needed not just from the cast, but by the directors and stage managers as well. Their hard work was finally recognized when the cast received a gratifying and deserved standing ovation after their performances.

FRENCH CLUB

The French Club, under the direction of Mr. Haggerty, had a fun filled year involving students from all four classes at WHS who are interested in France, its culture, food, and language. The successful crepe sale, was an exciting, profitable, and most importantly, DELICIOUS fundraising activity. Other French Club activities included: dinners, French videos, trips to the French library. French Club president, Gigi Shafai, is hoping for a trip to a French-speaking region during 1999. Au revoir!
